### A Message from Mrs. Harris

Welcome to a new school year! Thank you to everyone that attended the Ice Cream Social, sponsored by the Chapman Elementary School P.T.A., to welcome me to this distinguished school. I am so excited to be here to work with such a remarkable faculty, staff, students and parents.

#### Picturing Success

Our theme for the 2009-2010 school year is "Picturing Success". Chapman Elementary has already started being successful by having such fantastic test scores. The students and teachers worked so diligently to make the 2008-2009 school year a winner. Let's continue the winning streak!

**Lunch news:** If you pay for your child's lunch, please consider pre-paying by the week or the month. For those who pay day by day, that money is collected and will be deposited in a cafeteria account for each child. This way, all children punch in their lunch number and our lunch lines can move more smoothly.

**Traffic news:** Please post your child's name in the passenger side window so that our pick-up process moves more quickly. No parking is allowed in the drive-through area during arrival or pick-up times. If you want to park and come to meet your child, you may park in either of the parking lots, but please walk across the drive way at the cross walk only after traffic has been stopped by our patrol students. We need to model safe behavior for our student and walking between cars and in the middle of the drive through lane is just not safe for them.

Drive very cautiously and observe the 5mph speed limit in the drive-through area. Be aware that we have several buses that come through.

Elementary students are not allowed in the middle school area, unless accompanied by a parent. Please do not ask you child to meet you in the middle school. You will need to come to the elementary side to get them.

**Parents reminder:** Please keep your child home from school if they are sick and have a temperature. Thank you
